The Organization is full of good leaders. The success of the Organization is totally dependent upon good members!

Dear Deputy G.M.s, D.G.M.s, W.M.s & Brothers:
We can do all things through Jesus Christ who strengthen us. I pray that this communication finds you and your family in the best of health and spirit.

I have been working on several projects since my last communication to the brotherhood. The one that I am very proud of is our new Website.

We had a very successful Supreme Convention, all of our brothers and sisters said they really enjoyed themselves during their stay in the Sunshine State.

Let me take this opportunity to thank everyone for their hard work in making our Southeast National District Grand Lodge and Supreme Grand Lodge a success. Members from other states are talking about how well the members of Florida participated in the different ceremonies, THANKS.

Thanks to all the brothers who were on the different committees for Supreme. All of you did a bang up job. I will not attempt to call names in fear of forgetting someone, you know who you are.

I wish more brothers could have attended these conventions, there was a lot of information that was given out by our Supreme President and the Supreme Grand Master. The Illustrious George Mathew's Grand Lodge separated, with the Executives receiving lectures on the business aspects of the organization and the other brothers receiving Ritualistic Lectures. Believe me this is going to be a Supreme Grand Lodge to remember. So, please start making preparations for Supreme 2012. We will find out where Supreme will be held at the Conclave Convention next month.

Ill. Robert L. Stevens, 33°
1st Deputy Grand Master

Ill. Alex Dixon, 33°
2nd Deputy Grand Master

Ill. Ledester Clarke, 33°
3rd Deputy Grand Master

Ill. Morshee Jones, 32°
Grand Financial Secretary

Ill. Bertram Coney, 32°
Grand Treasurer

The Supreme President gave this directive at the Shrine's Convention; that all Worshipful Masters must have the Royal Arch Degree in order to be a Worshipful Master. Any Worshipful Master that does not have the degree must get it at once. So, to make sure the President directive is obeyed all District Grand Masters must insure that all Worshipful Masters in your district are in compliance.

Illustrious Renford P. Brown has a new website. The website address is www.renfordpbrown.org. The site is more user friendly and has accessible forms that Worshipful Masters and District Grand Masters can download and complete. Please browse the new website and provide us your feedback. Brother Evans is the Webmaster. If you have any questions on how to navigate around the site, please feel free to contact him. His contact information is on the **Contact Us** Page at the bottom.
